Grant Title: Targeting Teens Boating Safety Program - Skipper Club

Award Amount: \$140,600.00

Synopsis:

The purpose of the project is to encourage the proliferation of on water-skills based training meeting the national on-water standard. The availability of on-water powerboat training meeting the national on-water standard is limited. Programs tailored specifically for teenaged learners even less so. The Targeting Teens program, Skipper Club – a teen focused on-water powerboat instruction program developed and tested under a national nonprofit fills this gap.
